

Maths Home Learning at St Pauls Primary School

Key Instant Recall Facts

Year 5 Autumn 1

Target: To be able to double and halve 2-digit numbers to 100

By the end of this half term, children should know the following facts. The aim is to recall these facts instantly.

Halving Numbers	Doubling numbers
Partition the number into Tens and Ones Halve each part Recombine e.g. halve 64 partition into 60 and 4 half of 60 is 30 half of 4 is 2 $30 + 2 = 32$	Partition the number into Tens and Ones Double each part Recombine e.g. double 43 partition into 40 and 3 double 40 is 80 double 3 is 6 $80 + 6 = 86$

The children should be able to answer these questions in any order including missing number questions

KEY VOCABULARY	Top tips
double halve half multiply divide	Practising your 2 times tables at speed will help to multiply and divide by 2 quickly when doubling and halving
