

# Maths Home Learning at St Pauls Primary School

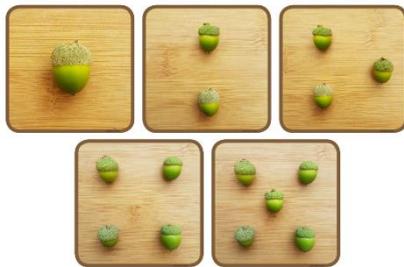

## Key Instant Recall Facts

### Reception Autumn 2

**Target: I can subitise to 5**

By the end of this half term, children should be able to recognise a small group of objects (up to 5) without needing to count them.

The ability to be able to recognise a number of objects without needing to count is called **subitising**.

	<p>Children should know that this tens frame shows 5 without counting.</p> <p>And know this shows 4 cube without counting.</p>		<p>Children should be able to recognise this shows 3 without the need to count.</p>
---	--	--	---

#### KEY VOCABULARY

subitise  
one  
two  
three  
four  
five

#### Top tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? Use practical resources – Show your child a small group of objects. Ask them how many there are without counting.

#### MOST USEFUL WEBSITES

<https://www.topmarks.co.uk/learning-to-count/ladybird-spots>

Put dots on the ladybird, how many are there?
