As a school we recognise the benefits of year group and class WhatsApp groups among parents. These groups are useful for sharing class information and reminders. However, these groups should not be used to share personal and private information about individual pupils, parents and staff. The sharing of such information is a breach of confidentiality and can cause upset and distress to the individuals concerned. If you have any concerns regarding pupils, parents or staff than we advise you contact the school.

Harvest Donations

We will be collecting Harvest Festival donations of non-perishable food goods for the House of Bread next week. Any donations will be appreciated, just drop them off at school!

Year 3 and 4

Year 3 and 4 have produced lots of stunning writing based on the 'Stone Age Boy' this week.

Well done!

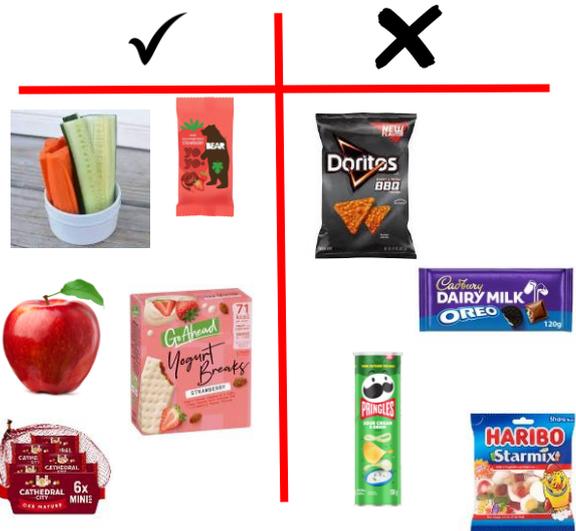

Water Bottles

Please ensure that you are sending your child to school with a water bottle filled with water.

Children should not be drinking squash/cordial, fizzy drinks, juice, or milkshakes in their water bottle throughout the day, only water.

Snacks

Please do not send your child in with unhealthy foods for breaktime snack.

Have a wonderful weekend!
