

Maths Home Learning at St Pauls Primary School

Key Instant Recall Facts

Reception Spring 1

Target: I can say the numbers in order to 10

I can say one more than any given number up to 10

By the end of this half term, children should be able to confidently and fluently count to 10 in order and know more than any single digit number

One more than 1 is 2

One more than 2 is 3

One more than 3 is 4

One more than 4 is 5

One more than 5 is 6

One more than 6 is 7

One more than 7 is 8

One more than 8 is 9

One more than 9 is 10

KEY VOCABULARY

one
two
three
four
five

six
seven
eight
nine
ten
one more

Top tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? Use practical resources – Show your child a small group of objects. Ask them how many there are without counting.

MOST USEFUL WEBSITES

<https://www.topmarks.co.uk/learning-to-count/ladybird-spots>

Put dots on the ladybird, how many are there?
